

IN-HOUSE BREWS

PALE/AMBER/DARK/SPECIALTY LAGERS

RICE & SHINE Jasmine Rice Lager (Pale) - 4.9% \$7/12oz
Our flagship pale lager with Jasmine rice!

BEECH & BEANS

Beechwood Smoked Lager w/ adzuki beans (Amber) - 5.8% \$7/12oz
A unique amber lager inspired by the Rauchbier style (Smoked German Lager) to offer a fairly pronounced yet balanced smoked beechwood note. It is brewed exclusively with Weyermann (German) malts: Munich, Barke Pils and 33% of Beechwood Smoked malt, and a small amount of adzuki beans (Japanese red beans) for the Asian touch and extra complexity.

YASUKE (NEW BATCH!) Black rice dark lager (Dark) - 4.6% \$7/12oz
Our flagship Dark Lager is back for the winter! Brewed with Purple Leum Pua rice (a sweet rice variety). Yasuke offers notes of dark bread, cocoa, nut & light roast.

RED POCKET Vienna Lager (Amber) - 5.2% \$7/12oz
Our flagship Vienna Lager with which we won a bronze medal at the International Beer Cup (Japan) in 2024. Despite this award, our Head Brewer tweaked the recipe for a little more classic Vienna lager with less intense malt flavor and a touch lower alcohol as well.

CHIMAOK PILS North German Pils (Pale) - 5.0% \$7/12oz
Chimaek Pils, pronounced "chee-meck", is inspired by the popular Korean food pairing culture of fried chicken and beer. For this, we chose to brew a crisp North German pils where the herbal/noble-like hop character and moderate bitterness, are great to complement and cut through the sweet and umami of savory chicken dishes. Enjoy it for example with our following menu items: Korean Fried Wings, H.F.C, Chicken Satay or even Hopstix Burger, because crisp lager and burger is also a thing!

FORBIDDEN RICE & SHINE (LAST KEG!) Thai Black Rice (Pale) - 4.6% \$7/12oz
A variant of our Rice & Shine w/ long grain Thai black rice (from Chiang Mai province, Thailand) instead of Jasmine Rice. This rice is also known as Forbidden rice and is often used in the preparation of Thai desserts to contribute nutty and vanilla-like notes

NISHIKI PREMIUM (LAST KEG!) Light Rice Lager (Pale) - 3.5% \$7/12oz
A crisp, pale and brilliantly clear lager with a distinct flavor from Nishiki Sushi rice which we used for 25% of the grain bill.

FRUITED ALES

CUCUMBER COOLER Cucumber & lime - 3.8% \$6.5/12oz
A very light cucumber ale! We used loads of cucumbers and fresh lime juice for a light acidity and a more complex/pickle-like flavor.

EUROPEAN ALES

ZEN (German) (NEW BATCH!) Wheat ale (Pale) - 5.2% \$9/18oz
A classic interpretation of the Hefeweizen beer style, Zen has been our most popular European style ale in 2025. Yet, our brewer reworked the brewing process to get more cloudiness, body and a slightly paler color with a more yellow orange color. As always, you will find the classic banana and clove notes that this style is famous for. Our Zen is also served in a traditional Hefeweizen glass with an 18 oz pour!

DEVIL'S RYE'D (Belgian) Golden Strong Ale (Pale) - 9.9% \$7/12oz
Belgian Golden Strong Ales are often named after the devil for the style's very high strength. Our interpretation is fairly traditional thanks to using a true Belgian golden strong ale yeast strain but ours has 25% rye malt which is unique!

BLANCHE DE CHAMBLEE (Belgian) Wheat ale (Pale) - 4.5% \$7/12oz
Belgian-style wheat ales are very light, refreshing and accessible thanks to a low bitterness and abv, together with a light citrus/peppery flavor and a crisp impression (dry and high carbonation). It is Brewed with 60% pils malt and 40% unmalted wheat, with coriander and a touch of Calamansi zest for the Asian flare.

IPAS/HOPPY ALES

KARATE KID IPA - 6.5% \$7/12oz
Karate Kid has been one of our most popular IPA! It is dry-hopped with Cashmere and Citra!

BALANCING ACT (NEW BATCH!) Pale Ale - 5.7% \$7/12oz
Our classic house pale ale is back! We added more hops this time and dry-hopped it with Comet and Mosaic.

KUNG FU HOPS Hazy IPA - 6.5% \$7/12oz
Our Flagship IPA with Citra, El Dorado, Amarillo & Strata!

TOKYO DRIFT (LAST KEG!) DDH Hazy IPA - 6.5% \$7.5/12oz
Brewed with 15% of our house sushi rice and dry-hopped at 4 lbs/barrel with Alora hops!

KOMODO (NEW BEER!) American Double IPA - 8.5% \$7.5/12oz
An unfiltered American Double IPA heavily dry-hopped with El Dorado, Mosaic, Strata and Comet. Maltier, more bitter and less juicy than a hazy IPA. Komodo is an old school interpretation of the IPA style.
