Akebono is one of our biggest dry-hopped IPA to this day! Akebono uses a blend of New Zealand and American hops, with Motueka (NZ) & Crystal (US) hops in the whirlpool and a very big dry hop rate of Nectarone (NZ), Citra (US) & Strata (US)

KASAYA (NEW! Avail. mid March) West Coast IPA - 7.7% \$7/12oz
Modern west coast IPAS often no longer use darker/caramel malts, but we went old school again (after Red Lantern) and used 2 different light Caramel malts for a slight orange hue and a little more malt flavor/depth. Kasaya is moderately dry hopped with classic American hops, Simcoe & Mosaic.

KUNG FU HOPS (Cans available from March 4) Hazy IPA - 6.9% \$7/12oz
Our Flagship IPA dry-hopped with Citra, El Dorado, Simcoe & Strata

TODDLER'S PUNCH Hazy Pale Ale - 4.5% \$7/12oz

RED LANTERN (Cans available) Red Ipa - 7.2% \$7/12oz
Inspired by a famous red IPA from California that was launched in 1980s to celebrate the holiday/winter season. Our Red Lantern is malty, bitter, warming and hoppy with pine, citrus and floral notes. Dry-hopped with Cascade, Centennial and Bru-1, it is a beer to remind us of the early IPA days in the US

PORTER/STOUT/BARREL-AGED DARK ALES

STUMP SOUND Oyster Stout - 6.2% \$7/12oz
Our latest collab. is an Oyster Stout which we brewed with our friends at Topsail Island Brewing (Sneads Ferry, NC). And yes, it was brewed with real oysters (from Anchored Life Oyster Farm in NC)!
